Attention all Operators

EOCP ANNUAL GENERAL MEETING

The EOCP has followed through with our promise to move the AGM around so more members can get a chance to attend the Annual General Meeting at least once in a while.

This year the AGM will be held in a different month and in a totally different venue.

Where: The Okanagan Grand Hotel, Kelowna, BC

When: 4:00 PM Friday, August 13, 2010

In conjunction with the AGM we will be holding an **information session** for everyone on the EOCP's Training Registry. It will provide Operators, managers, regulators, and others an opportunity to learn about this new way of accessing training, becoming a trainer, giving training, and also a look at the wide variety of backgrounds that Operators have come from and where they have evolved. The session will begin at **11:00 AM, August 13**, with lunch provided. Of course, we'll need to know whose coming in order to arrange the appropriate number of lunches, confirm your attendance at the training session by July 31st.

We welcome any questions about the AGM and the information session – contact the eocp@eocp.org.
