

2010 CERTIFICATION DUES RENEWAL FORM

We are encouraging as many Operators as possible to renew on-line. It will be simpler and less costly for all, than doing it the old way. Go to <http://www.eocpsearch.org/> and the information we have on-file for you will be provided in the form. You need only make changes if they are necessary and from now on you can also pay your dues on-line.

If you prefer to renew the old fashioned way, please take a few minutes to complete ALL* sections of this form (especially an email address) and mail it in along with your cheque or credit card number if you personally pay your dues or submit it to your employer to accompany their cheque. Please include the 5% GST with payment. 2010 Annual Dues are \$60.00 + GST = \$63.00 Total.
